

A Note from our Founder...

*"We love perennials because
with them we know the joy of
witnessing the rebirth of nature
year after year.*

*Perennials are an affirmation
of a sane order of the universe.*

*How comforting to be able
to count on something
in these volatile times."*

Eva Sands

2661 Euclid Heights Blvd #1
Cleveland Heights OH 44106

If you like gardening,
we invite you to join...

An affiliate of Cleveland Botanical Garden

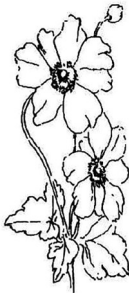

**NOPS is an
organization of avid
gardeners committed
to learning, sharing,
collecting plants, and
enjoying gardens.**

Membership in the Northern Ohio Perennials Society (NOPS) helps you become a better gardener.

Whether you are a beginning or an experienced gardener, NOPS offers many benefits...

Learn, Share, and Have Fun!

Learn from experts how to select and care for plants, use environmentally friendly controls for insects and diseases, design beds, and deal with a variety of other gardening-related issues.

Sunday afternoon programs are held at the Cleveland Botanical Garden (CBG) in January, February, March, September, and October.

A congenial social hour with refreshments follows each meeting, giving members the opportunity to share knowledge, experiences, successes, and failures.

The Perennial News, our exclusive newsletter, is published six times a year with information on programs, activities, garden-related topics, and contributions from members.

Acquire New Plants!

Expand and enrich your plant collection by taking part in NOPS Plant Exchanges held in the Spring. Share plant divisions, volunteer to help, and acquire a variety of well-tended common and unusual perennial divisions from other members' gardens. Those with nothing to share can

purchase plants at a modest cost. For more information, contact our Plant Exchange Chair, Stanley Way at stan_way@aol.com or 216-401-1313.

Visit Gardens!

Gain inspiration and insight by visiting the gardens of members and others in the community who open their gardens to NOPS during the late spring, summer, and early fall for special viewing. This is another opportunity to learn, share, and develop new friendships.

For Gardeners, By Gardeners

Our handbook, *Growing Perennials in Northeast Ohio*, was written by NOPS members from their extensive knowledge of gardening. It is full of planting techniques, design, and placement ideas and suggested varieties that work best in our area. It is available to members at a discounted price of \$11.

Botanical drawings in this brochure are from original art by Eleanor Donley for our Handbook.

For more information about the Northern Ohio Perennials Society, please visit our website at:
www.NOPSweb.com,
 Or call 216-371-2857 or 216-371-3640

NOPS MEMBERSHIP FORM

Annual dues, per household for new and renewing members, are as follows:

February thru December.....\$25
 If paid before **February 1**.....\$20

Name _____
